SALE MANAGER'S MESSAGE

This Mid-Kansas Shorthorn Sale will be one of our best consignments ever offered. The sixty bulls selling in this sale represent some of the top Shorthorn breeders in the United States. Anyone needing a herd sire for either a purebred or commercial herd should attend this show and sale. For many years these Mid-Kansas Sales have been a good place to buy Shorthorn cattle. Last spring twenty percent of the Shorthorn bulls sold in this sale were bought for cross breeding.

Remember, this is not a new sale. Buyers from California, Texas, Idaho, Dakotas and the Central States have bought in this sale. If you need Shorthorns, be in Salina March 29th and 30th.

Plan to attend the informal banquet Wednesday, March 29th, 7:00 p. m., at the Holiday Inn on the 81 by-pass west of Salina. This general get-together is open to all. Come as you are. If you have not made reservations, come anyway.

If you cannot attend the sale, you may phone or send mail bids to the sale manager, or any of the representatives. To contact sale manager for any late messages or bids, phone Salina Chamber of Commerce.

For other information about this sale, contact,

Milton H. Nagely, Sale Manager

STANDARD GUARANTEE
(Recommended by American Shorthorn Association)

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

SPRINGDALE KEYNOTE-This is the first son of Remitall Keynote to be offered at auction. He is probably one of the most correct bulls we have ever raised. His dam was purchased in the 1964 Browns of Kentucky-Lone Star Sale at a four-figure price. Remitall Keynote was the second top-selling bull at the 1964 National Western Sale. This rugged two year old is smooth and heavy quartered. He weighed 1,500 the first week in January.

LEVELDALE VICTORY-An outstanding son of Leveldale Richard. Was purchased as a calf at the Illinois State Sale. I used him on a group of heifers last fall and found him a very sound breeder. Since I won't have any use for him this year, I decided to sell him and let some other breeder make good use of him.

KAR BURN REVISE-The greatest prospect for a herd bull to ever leave Kar Burn. His impeccable pedigree of illustrious sires and dams gives him that right. Leveldale Freda Rosebud 4th won her class at the International as a Junior Calf. The next year as a Junior Yearling she did likewise, but was refused the Championship because she had too much bone for a female. This is the stamp of the Leveldale Review offspring. Bone, size, ruggedness and true Shorthorn character. His own dam, Kar Burn Princess Dora, was one of our show heifers a couple of years ago. This is her first calf and she raised him. He has never been on a nurse cow. This will be one of the best bulls to sell anywhere this spring. We have used this bull and if we were not blessed with an outstanding group of young bulls coming on, and Review himself sound, this bull would not be sold.

KAR BURN PIONEER ELEVATE-The last son of Major at Kar Burn, and a good one. He is a half-brother to Kar Burn Fashion, top selling bull at \$2,000.00 last spring. Visitors here think and choose him as our best bull to go to Salina. He has the size, smoothness and terrific hind quarter demanded in good beef cattle. Kinellar Metaphor is a half-brother to Kinellar Napoleon that has established the great Napoleon dynasty for Acadia and John Shuman. Then add Bapton Pioneer, Bapton Cairnbrogie, Aldie Kinsman, Gallant Marshal and Marellbar Formation and the summary is they were all great breeding bulls. This is the best consignment we have ever made anywhere, and this bull will be one of the tops.

All females by Marshall's Officer have been retained in the herd, but two young heifers were sold last year in the Mid-Kansas Sale. If you look for thickness, heavy bone and good legs, look this bull over.

LIN DEE UPWARD BOUND 2nd—This bull looks very promising. He weighed 1,200 pounds the first week in January. He is a thick well fleshed bull with lots of length. He should be a credit to anyone's herd. He is the first bull I have offered from my herd and I am real proud to have one of this quality.

KAR BURN ELECTED-Another senior bull we showed last year, doing very well at all the shows. Out of our great breeding cow, Briardale Princess Dora, the granddam of Kar Burn Revise selling in this sale. This is a family of cows that produced many top bulls for us and others. A very rich pedigree of noted sires and dams, this bull is very smooth, carrying that muscling that is highly sought after in this modern era.

KAR BURN REVIEW 5th-A very dark red son out of a Hickorie Ensign dam. This Review-Ensign cross is our best. His pedigree again carries that Gallant Marshal infusion that has been so successful for Acadia and John Shuman. Just a yearling, but one worth waiting for.
